

*Invitations to conferences and workshops (since 2000):*

- Diophantische Approximationen, Oberwolfach, April 9–15, 2000.
- Problèmes Diophantiens, Lille, June 11–13, 2001.
- Douzièmes rencontres arithmétiques de Caen, June 29–30, 2001.
- Pisot numbers and real number computations, Rome, October 3–5, 2001.
- Problèmes Diophantiens, CIRM, Luminy, May 6–10, 2002.
- Elementare und Analytische Zahlentheorie, Oberwolfach, March 9–15, 2003.
- Diophantine Number Theory, Simon Fraser University, Vancouver, June 2003.
- Symposium on Diophantine Problems in honour of W.M. Schmidt, Vienna, October 6–10, 2003.
- Diophantine Approximation and Heights, Vienna, April–May, 2006.
- Italian–Polish Number Theory Days, Poznań, May 17–20, 2006.
- Approximation Diophantienne et Nombres Transcendants, CIRM, Luminy, September 4–8, 2006.
- Diophantine and Analytic Problems in Number Theory – Dedicated to the 100th birthday of A. O. Gelfond, Moscow, January 29 – February 2, 2007.
- Diophantische Approximationen, Oberwolfach, April 15–21, 2007.
- La journée de Mathan, Bordeaux, June 22, 2007.
- Diophantine Approximations, Graz, July 26–27, 2007.
- XVIII Congresso Unione Matematica Italiana, Bari, September 24–29, 2007.
- Méthodes algorithmiques en théorie des nombres – Un colloque en l’honneur de Georges Rhin, Metz, June 19–20, 2008.
- La teoria dei numeri, Rome, May 27–29, 2009.
- Italy–India Conference on Diophantine and Analytic Number Theory, Scuola Normale Superiore, Pisa, March 8–12, 2010.
- Approximation Diophantienne et Transcendance, CIRM, Luminy, September 6–10, 2010.
- Diophantische Approximationen, Oberwolfach, April 22–28, 2012.
- Diophantine Analysis, Astrakhan, July 30 – August 3, 2012.
- Lagrange two hundred years later, Scuola Normale Superiore, Pisa, April 15–18, 2013.
- Heights in Diophantine geometry, group theory and additive combinatorics, Vienna, November 24 – December 6, 2013.
- First joint international meeting of the Italian and Spanish mathematical societies, Bilbao, June 30 – July 4, 2014.
- Approximation Diophantienne et Transcendance, CIRM, Luminy, September 15–19, 2014.

- Summary on ERC scientific activities in Diophantine problems at SNS, Cetraro, June 26 – July 4, 2015.
- Diophantische Approximationen, Oberwolfach, April 10–16, 2016.
- Current Trends in Diophantine Geometry and Transcendence, Taipei, May 23–27, 2016.
- Vilnius Conference in Combinatorics and Number Theory, Vilnius, July 16–22, 2017.
- Number Theory Week 2017, Poznań, September 4–8, 2017.
- Approximation Diophantienne et Transcendance, CIRM, Luminy, September 10–14, 2018.
- Transcendence and Diophantine Problems – Dedicated to the 100th anniversary of N. I. Feldman’s birth, Moscow, June 10–14, 2019.
- Study days on Diophantine Geometry, Scuola Normale Superiore, Cetraro, July 26–29, 2021.
- Days of Transcendence, Moscow (zoom meeting), January 31 – February 2, 2022.
- Diophantische Approximationen, Oberwolfach, April 17–23, 2022.
- La grandezza dei punti piccoli – Celebrating Francesco Amoroso’s 60th birthday, Pisa, May 23–25, 2022.
